About Us.

We are M/s Tolani Petroleum Products, established in the year 1970, at Navi Mumbai (Maharashtra).

We manufacture more than 150 specialized products commonly used in the industrial lubricants segment, such as:

Rubber processing oils, Textile oils, Transformer oils, Industrial lubricants, Synthetic oils. All our products are manufactured using refined base oils and advanced additives, ensuring excellent performance. Our state-of-the-art technology plant is equipped with fully automatic batching, enabling us to maintain consistency in quality and high performance. In addition, we have a team of professionals who ensure quality control, optimization, and technical expertise. Quality has been a top priority at Tolani Petroleum Products, which is reflected in our strict adherence to quality standards. Our mission is to implement strong quality management practices to ensure complete customer satisfaction. We look forward to establishing a long-term relationship with you and assure you of our best services and support.

Our Journey.

Our Philosophy.

Our business philosophy is built on the principles of integrity, quality, and customer satisfaction. Since our inception, we have believed that long-term success comes from ethical business practices and consistent performance. We are committed to supplying high-quality petroleum products that meet industry standards and customer expectations. Reliability and timely delivery remain at the core of our operations, supported by a strong logistics and distribution network. We emphasize safety in every aspect of our business, from sourcing to transportation and delivery. Continuous improvement and innovation guide our approach to meeting changing market demands. We value strong relationships with customers, suppliers, and stakeholders, treating every partnership with trust and transparency. Environmental responsibility is an important part of our philosophy, and we strive to minimize our impact through responsible operations. Our team is our strength, and we encourage teamwork, accountability, and professional growth. This philosophy guides every decision we make and defines who we are as an organization.

Mission & Vision.

MISSION

OUR MISSION IS TO DELIVER HIGH-QUALITY PETROLEUM AND SPECIALTY LUBRICANT PRODUCTS THAT ADD REAL VALUE TO OUR CUSTOMERS' OPERATIONS. WE ARE COMMITTED TO TOTAL QUALITY MANAGEMENT, CONSISTENT PERFORMANCE, AND STRICT ADHERENCE TO DELIVERY SCHEDULES. THROUGH ADVANCED TECHNOLOGY, SKILLED PROFESSIONALS, AND CONTINUOUS IMPROVEMENT, WE ENSURE RELIABILITY AND EFFICIENCY. CUSTOMER SATISFACTION, SAFETY, AND LONG-TERM PARTNERSHIPS REMAIN AT THE CORE OF EVERYTHING WE DO.

VISION

OUR VISION IS TO BE A TRUSTED AND PREFERRED PETROLEUM PRODUCTS MANUFACTURER IN INDIA AND GLOBAL MARKETS. WE AIM TO SET BENCHMARKS IN QUALITY, INNOVATION, AND OPERATIONAL EXCELLENCE. BY EMBRACING SUSTAINABLE PRACTICES AND CUTTING-EDGE TECHNOLOGY, WE STRIVE FOR RESPONSIBLE GROWTH. WE SEEK TO SUPPORT INDUSTRIES BY HELPING MACHINES PERFORM SMOOTHLY AND EFFICIENTLY.

Our Trusted Supply Partners

Tolani Petroleum is a pioneer in the supply of industrial lubricants and petroleum products, serving customers since 1970. With decades of industry experience, the company has consistently worked towards achieving its visionary goals through quality and reliability. In addition to industrial lubricants and base oils, Tolani Petroleum offers a wide range of petroleum products including Furnace Oil (FO), Light Diesel Oil (LDO), and Bitumen. Crude oil, a naturally occurring liquid found in geological formations, is refined through distillation into various fuels and chemicals.

Tolani petroleum products are powered by India's energy leaders such as:

H.P.C.L

Complete Product Range

FUEL PRODUCTS:

- Furnace Oil (FO)
- Light Diesel Oil (LDO)
- Bitumen

THERMAL & MECHANICAL OILS:

- Thermic Oils
- Rolling Mill Oils
- Wire Drawing Oils

SPECIALTY OILS:

- Synthetic Oils
- Heat Transfer Fluids
- Compressor Oils
- Spindle Oils
- Slideway Oils

STEEL & PLANT OILS:

- Steel Plant Bearing Oils
- Punching Oils
- Stamping Oils

PROCESS OILS:

- Rubber Process Oils
- Multigrade Engine Oils

MAINTENANCE OILS:

- Rust Preventive Oils
- Rust Remover Oils

COOLANTS & FLUIDS:

- Coolants
- Radiator Coolant
- Calibration Fluids

VACUUM & UTILITY OILS:

- Vacuum Pump Oils

INDUSTRIAL OILS:

- Hydraulic Oils
- Soluble Cutting Oils
- Neat Cutting Oils
- Gear Box Oils
- Quenching Oils
- General Purpose
- Machine Oils

GREASES:

- Chassis Grease
- Wheel Bearing Grease
- Multipurpose Grease
- Long Life Grease
- High Temperature Grease
- Lithium Based Grease
- Complex Grease
- Silicone Grease, Copper Grease

Quality Without Compromise

Quality Control & R&D

At Tolani Petroleum Products, quality control is at the heart of our operations. Innovation drives our processes, allowing us to develop products that meet and exceed market expectations. Our advanced facilities and experienced technical team ensure consistent quality across our entire product range.

State-of-the-Art Facilities

We utilize state-of-the-art standard laboratory facilities to measure and evaluate various petroleum products against their respective parameters. Before unloading, all base oils stored in our tanks are thoroughly tested to ensure compliance with required standards.

Customer-First Approach

Customer satisfaction is our top priority. Every product dispatched to customers undergoes extensive testing to ensure it meets specified standards and customer requirements. This rigorous process guarantees reliability, performance, and long-term satisfaction.

Lubricants & Grease Testing Includes:

ASTM Colour	Moisture Content
Density Testing	Acidity (Inorganic)
Kinematic Viscosity	Drop Point (for Grease)
Flash Point	Penetration (for Grease)
Pour Point	

Our Product Range

Industrial Lubricants

Tolani Petroleum Industrial Lubricants are high quality products manufactured specifically for the industrial environment. It covers a wide range of industrial lubricants used across various industries. It is divided into several categories, each addressing the unique requirements.

- Machine Oil
- Gear Oil
- Refrigeration Oil
- Compressor Oil
- Soluble Cutting Oil
- Grinding Oil
- Drilling Oil
- Hydraulic Oil
- Thermic Oil
- Quenching Oil
- Rust Preventive Oil
- Vacuum Oil
- Spindle Oil
- Straight Cutting Oil

Textile Oils

We at Tolani Petroleum have developed a wide range of speciality textile oils as per the requirement of machinery which operate smoothly under high speed and high pressure, reducing maintenance costs and ultimately increasing production.

- Needle oils
- Texspin
- Zuki oils
- Conning oils (antistatic oil)
- Sulzer oils
- Chain oils
- Dobby oils
- Textile high speed oils

Greases

Our greases are specially developed from high quality base oils and additives for multi-purpose use. They provide excellent lubrication even under severe load bearing and high temperature conditions.

- MP greases
- Lithium based greases
- EP greases
- Calcium based greases
- Sodium based greases

Bitumen

Bitumen is a hydrocarbon material obtained from crude oil refining. It is widely used for asphalt paving, roofing, and protective coatings due to its adhesive and sealing properties.

Light Diesel Oil (LDO)

Light Diesel Oil (LDO) is a blend of diesel and furnace oil used in industrial boilers and engines. It offers better combustion than furnace oil and is suitable for medium-speed diesel engines.

Furnace Oil (F.O.)

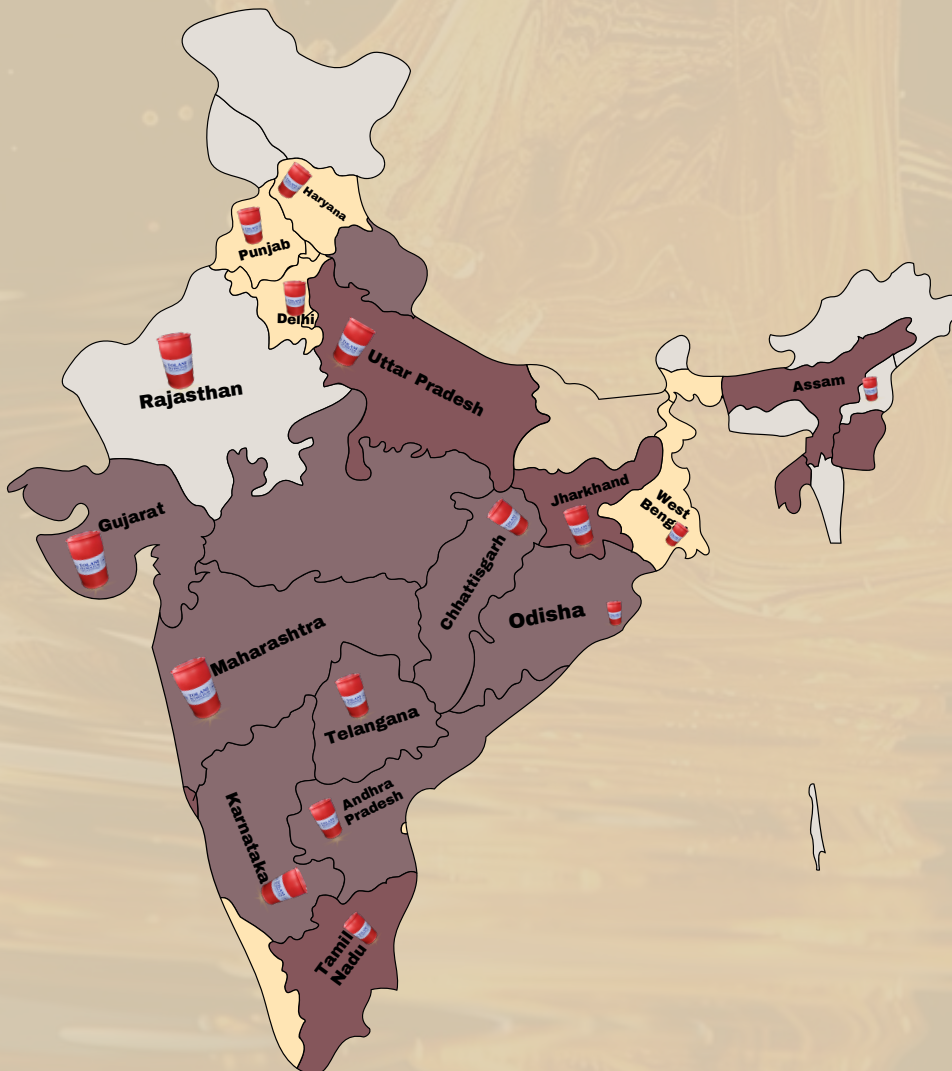

Furnace Oil (F.O.) is a heavy, dark petroleum fuel used mainly in industrial boilers and furnaces. It provides high calorific value and is cost-effective for large-scale heat and power generation.

Serving customers across 4 countries

-  • Nepal
-  • UAE
-  • Bhutan
-  • Bangladesh
-  • South Africa
-  • Australia
-  • Sri Lanka

Planning to increase our presence in the coming years.

Years in business:
55+ (since 1970)

Customers Served:
2000+ happy customers

Presence:
Presence in 16+ Indian states

Distributors:
50+ distributors

Exports:
6+ countries

Products:
250+ products

Warehouses:
3+ warehouses
